Prasad Dammai

Subject's - Prasad Dammai Advanced Health care Directive (AHD) Summary - Quick View

This digital document represents the information provided by the Subject and reflects their Advance Healthcare Wishes and Current Healthcare Status.

The details herein have been witnessed by individuals identified in the Witness Section, and in accordance with the U.S. Electronic Signatures in Global and National Commerce Act (E-SIGN) and relevant state laws, the signature, date, and identification records have been securely stored within the B4iGo Platform. Access to this information may be granted to medical professionals, the Power of Attorney (POA) / Assignee, or other authorized Subscribers as designated by the Subject. The information is to be used solely for the benefit of the Subject and only within the Conditions, Limitations, and Legal Framework applicable under U.S. Law.

Note: All Powers of Attorney (POA) are revocable at the sole discretion of the Subject. Any relying party must verify the validity and currency of this POA by scanning the above QR code, which will confirm with the B4iGo platform whether this version has been revoked or superseded. This POA has been executed under U.S. Law – Digital Signature Act of 2002. This document provides all necessary details to demonstrate that the POA was “in effect” at the time of generation. For Full Attestation of digital signatures, authentication logs, and execution timelines, the Subject, POA, or Witness may obtain certified records via the B4iGo.com platform.

1. Medical Treatment Preferences

Question Preview:

a) Life-Sustaining Treatments

If you become seriously ill and cannot make decisions, do you want doctors to continue all possible treatments to keep you alive?

Response: Yes, Continue all life-sustaining treatments

b) Food & Water Support

If life-sustaining treatments are stopped, do you want food and water (i.e through feeding tubes) to be provided?

Response: Yes, provide Food and Water

c) Comfort & Pain Relief

If you choose to stop treatments, would you like the medical team to continue to provide comfort care and pain relief?

Response: Yes , Provide comfort and pain relief

2. Organ Donation Preferences

Question Preview:

a) Existing Agreements:

Have you signed a written agreement or donor card for organ and tissue donation?

Response: No, I currently do NOT have an active Donor Registry with any organization

b) Organ Donation Decision:

Do you wish to donate any needed organs or parts after your death according to your state law?

Response: Yes, I wish to donate any organ or tissue as deemed needed

Description:CIVPD0673D

c) Authorized Uses of Organs:

Do you authorize the use of your organs for any legally authorized purpose?

Response: Yes, I wish to donate any organ or tissue to any legally authorized purpose

d) Additional Instructions for Organ Donation:

Do you have any additional instructions regarding organ donation?

Response:

3. Additional Medical Instructions

Question Preview:

a) Specific Treatments: Are there any specific medical treatments or interventions you want or do not want?

Example: "I do not want to be placed on a ventilator if my condition is terminal and irreversible."

Response: No, I do not have any additional treatment preferences

b) Pain Management: Do you have any specific preferences for how pain should be managed?

Example: "I prefer to receive the highest level of pain relief possible, even if it may hasten my death."

Response: No, I do not have any additional pain relief preferences

c) Dietary Restrictions: Are there any dietary restrictions or preferences that should be followed?

Example: "I am vegetarian and prefer to receive vegetarian meals."

Response: No, I do not have dietary needs or constraints

d) Personal Beliefs: Are there any personal, religious, or cultural beliefs that should be considered in your medical care?

Example: "As a practicing Buddhist, I prefer to have a calm and peaceful environment and would

like my meditation practice to be respected."

Response: No, I do not have any specific beliefs or practices that will need to be followed

4. Hospice Wishes

Question Preview:

As you reach end-of-life, would you prefer to be placed into hospice treatment? **Example: "I would like to have a Medical Professional oversee my end of life care and medications"**

Please specify any preferences or instructions regarding your hospice care:

Response: No, I do not prefer medically supervised hospice care

Description:okay

a) Hospice Location: Assuming you selected Hospice Care, do you prefer to receive hospice care at home, in a hospice facility, or in a hospital?

Example: "I prefer to receive hospice care at home, surrounded by my family."

Response: Yes, I have a location preference NOT AT HOME

b) Comfort Measures: At time of Death, are there specific comfort measures that are important to you, such as pain management, spiritual support, or emotional counseling?

Example: "I would like to have access to effective pain management and spiritual support from a chaplain."

Response: Yes, I have a preference for the following comfort measure and wishes (see notes below)

Description:okay

c) Visitors: Do you have any preferences regarding who can visit you and when?

Example: "I would like my immediate family and close friends to be able to visit me at any time."

Response: Yes, I would like the following visitors list to notified (see notes below)

Description:okay

d) Additional Instructions: Any other specific wishes or instructions related to your hospice or End of Life care?

Example: "I prefer soft music to be played in my room, and I would like to have my pet with me if possible."

Response: Yes, I would like to have the following wishes honored (see note below)

Description:okay

Signatures and Timestamps

The Digital Document was generated by B4iGo as an artifact of the collected, digitally signed and verified directives of the SUBJECT. This digital document includes a copy of the cryptography

signatures, identity verification, and audit-able, immutable timestamps collected at the time of execution of the Power of Attorney (PoA). The audit log of the crypto signatures, collection process and execution are stored securely on the B4iGo platform in compliance with the Digital Signature Act, UETA, and E-SIGN.
